Annual Conference:

Heather Stanley put together a summary of the conference Evaluation forms. See attached PDF.

Overall, the conference was successful and most of the comments were positive.

Merchandise

We were able to move some more of the existing merchandise, giving some away as door prizes selling other items. Dale has one plastic tub of merchandise left over. It is believed this will be OK IAAI tee shirts.

Regional Conferences

We discussed the potential for conducting new regional conferences on Gas Explosion Investigations. Billy Magalassi was going to contact Steve Rush and see if he would be interested in putting together a class and possibly teaching it.

Nominating

No action to date.

Awards

We discussed trying to encourage the membership to submit nominations for the various awards.

Billy Magalassi discussed nomination of a Prosecutor of the Year.

CFI

Billy Magalassi has his documentation ready and will be submitting for approval.

We need to make some critical information updates.

JJMA Investigations (Jody Cooper's) company advertisement is not running and needs to be set up ASAP.

New Board and 2010 Conference minutes need to be submitted, as well as conference photographs.
